

ONLINE MBA

Program Overview

The data-focused **Online MBA** from the University of Tennessee, Knoxville's Haslam College of Business is framed in today's complex business world. You will develop a powerful business acumen with immediate value through a multidisciplinary and immersive curriculum that focuses on analytical tools, supply chain management, consulting, finance, entrepreneurship and innovation. Our program goes beyond theory so you can develop global connections and actionable, adaptable skills to take on the unexpected. We will challenge you to think critically, act strategically and lead with confidence.

Why Learn Online?

- **Learn** at your own pace without putting your career on hold.
- **Participate** in a mix of live interactive lectures, remote office hours and asynchronous coursework, combining the best parts of independent and social learning.
- **Engage** with peers across industries and locations for a more dynamic and diverse educational experience.

About the Haslam College of Business

Informed by over 100 years of business education and research, Haslam is AACSB-accredited and produces industry leaders with a bias for action. We equip students with the skills they need to deliver results by creating business programs grounded in real-world application, strategic and analytical mindsets, and an inclusive and global approach. When we pair these principles with the extensive support services offered throughout the Haslam student journey, our graduates succeed.

“

The connections and friendships I've made while attending the University of Tennessee are probably what I value most and will value most post-graduation. This differentiates the MBA program at Tennessee.”

Jonathan Tillman ('25)

Cybersecurity Analyst, Leidos

Who Should Attend?

The Online MBA is designed for professionals from all backgrounds who want to strengthen their leadership and business skills, but is especially well-suited for those with **at least two years of professional experience**.

To build a strong foundation for success, applicants are also encouraged to **complete MBA Math**, a self-paced online course that refreshes core quantitative skills.

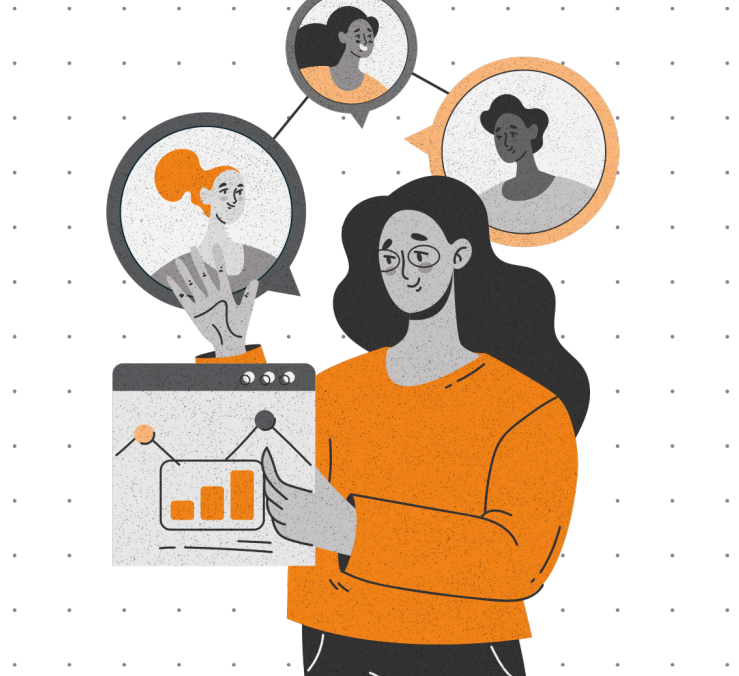

Application Materials

- **Transcripts:** Haslam requires that you provide transcripts from the institution(s) where you earned your bachelor's degree(s) and from all institutions where you have been enrolled or earned credit for graduate-level coursework, even if a degree was not earned. You may upload copies of transcripts for application review, but official transcripts from your institutions are required to enroll. Refer to our **transcript guidelines** for more information.
- **Professional resume or CV:** Provide a current resume that highlights your work experience, scholastic achievements and relevant extracurricular activities. A CV is also acceptable.
- **Short-answer responses:** Share details of your academic and professional background and interest in pursuing the Online MBA.
- **Two references:** Upload the names and contact information for two individuals. They will receive an email from our application system with instructions to complete a survey and upload a letter of recommendation.
- **TOEFL scores:** You may be required to demonstrate English language proficiency. If applicable, please have your official scores sent to the University of Tennessee, Knoxville, using the school code 1843.
- **\$60 application fee**

“

The support system underlies everything. My classmates and professors are nothing short of helpful and cheerleaders. When you are trying to work full time and manage your personal life, that kind of support is invaluable.”

Cara Waters ('26)
Eco-Energy Director Corporate Operations,
EEDS
